As a result of the Governor declaring a state of emergency related to the Coronavirus (COVID-19), the Champaign County Family Court is taking various precautions to assist in the containment of the virus and protect litigants and staff. These precautions are effective immediately, shall remain in effect until further notice, and are as follows:

1. All Hearings shall be in person unless otherwise notified by the Court.
2. Requests to excuse personal appearances at all other hearings are to be directed to the assigned judge's office.
3. Requests for video or phone conferencing should be made in advance of the hearing to the assigned judge.
4. Parties are not to bring friends or family members to hearings unless they are required to testify in a trial or are serving as a victim advocate or another person providing support to the victim in a civil protection order case. Deputies may limit access to those who have legitimate business with the Court. (see attached Notice)
5. Visitation with detained youth will be restricted pursuant to institution/detention center policy.
